

Effective Health Care

Inpatient vs. Outpatient Surgery Nomination Summary Document

Results of Topic Selection Process & Next Steps

- Inpatient versus outpatient surgery is too broad to develop given limited program resources. No further activity will be undertaken on this topic.

Topic Description

Nominator: National non-governmental advisory group

Nomination Summary: The nominator has expressed interest in the comparative effectiveness of inpatient (hospital) versus outpatient surgery.

Key Questions from Nominator: None

Considerations

- This topic could not be evaluated due to insufficient information given in the original nomination. Specifically, the populations, interventions, comparators, and outcomes are all undefined.
